

Show your potential

PREMIER

The Premier roller, for anyone just discovering there is more to this than the odd customer here and there.

- 3 TANGERINE, for the eye that sees all you already have in you.
 - 3 GINGER, in the aroma tradition the oil of taking matters into your own hands.
 - 3 SIBERIAN FIR, the forest older than you; you don't have to work it all out on your own.
 - 3 BERGAMOT, in the tradition the oil of being gentle with yourself; you don't have to become perfect first.
 - 3 WILD ORANGE, pure abundance in a bottle: there is enough, for everyone.
 - 3 LAVENDER, in the tradition the oil of saying out loud what you really think.
 - 2 PINK PEPPER, in the tradition the oil of taking off your mask and showing what is underneath.
-

In a 5 ml roller, top up with fractionated coconut oil, on your wrist and neck.
