---

*The Platinum roller, for the head that keeps the overview and the heart that comes along.*

- 3 EUCALYPTUS, the window-open oil: fresh air through your thoughts.
  - 4 ROSEMARY, for the head that cuts the knot.
  - 1 CINNAMON, one drop of fire, more you don't need.
  - 2 GERANIUM, so that amid all that overview a heart keeps beating.
  - 5 PATCHOULI, the dreamer with both feet on the ground; in the tradition the oil of big plans taking shape.
  - 1 DOUGLAS FIR, the young tree that learns from the old forest.
  - 2 SPANISH SAGE, the wise gaze: sage for a head that is full.
- 

*In a 5 ml roller, top up with fractionated coconut oil, on your wrist and neck.*
