

# Make Magic happen

## DIAMOND

---

*The Diamond roller, for magic that turns out to be simply repetition.*

- 1 BLUE TANSY, the rare blue one; in the tradition the oil of doing what your heart already said yes to.
  - 3 ROMAN CHAMOMILE, for the question of what you are really here for, and the quiet answer to it.
  - 3 DOUGLAS FIR, the young tree that does it differently from the old forest.
  - 4 LEMON, the clean-up crew: making room for something new.
  - 2 CYPRESS, for what is ready to start moving.
  - 1 MYRRH, the old anchor: change settles more easily with something familiar alongside.
  - 1 YLANG YLANG, one drop of fireworks for your heart.
  - 2 BLUE LOTUS TOUCH, subtle, between rest and awakening, and in the tradition the flower that opens the heart to deep intuitive knowing.
- 

*In a 5 ml roller, top up with fractionated coconut oil, on your wrist and neck.*
