PRESIDENTIAL DIAMOND

The Presidential Diamond roller, for starting at the beginning even at the top.

- 9 TANGERINE, nine drops of cheer, because whoever stands at the top may keep it light.
 - 5 CLARY SAGE, in the tradition the oil of clear seeing, for decisions you had already made inside.
 - 2 LEMON EUCALYPTUS, your own weather: what blows outside need not come in.
 - 8 NEROLI TOUCH, and yes, in the tradition also the oil of ideas that drop in out of nowhere; call it what you like, above all write them down.
 - 3 MARJORAM, for connections you can build on.
 - 5 GREEN MANDARIN, the youngest of the citrus family, picked green and yet complete.
 - 8 ROSE TOUCH, the queen in diluted form, or one drop of pure Rose; love beneath your foundation.
 - 5 GUAIAACWOOD, the slowest wood, for plans that are allowed to ripen.
-

In a 10 ml roller, top up with fractionated coconut oil, on your wrist and neck.
